SUMMARY

Safety - Conscious team player, with outstanding work ethics and a love for hands-on work, seeking full-time employment. Experience operating Heavy Haulers in Mining Operations and trained to uphold the highest standard of safety on all job sites.

SKILLS AND QUALIFICATION

- **SAFETY TICKETS:** CSO | CSTS (2020) | WHMIS 2015 Worker Edition (Generic for CSTS 2020) | WHMIS (GHS) 2015 | First Aid Level C- CPR/AED | Wood Buffalo Wildlife Awareness | Bear Awareness | Silica Awareness | H2S & S02 | Fatigue Management for Drivers and Supervisors | Transportation of Dangerous Goods | Fall Protection | Confined Space Entry and Monitor Materials.
- Valid Alberta Class 5 License with Clean Drivers Abstract.
- Can remain fully alert for extended periods of time, while keeping both a safe and clean work environment.
- Can consistently react quickly in emergency situations while strictly adhering to established safety procedures.
- Comfortable working in challenging work environments alone, or in a team in various types of weather conditions (Sun, rain, sleet, snow, fog, hail); physically fit, capable of performing strenuous work for extended periods.
- Ability to adhere to road safety rules, navigate GPS effectively, and properly handle daily driving schedules.
- A Safety-oriented individual who always follows safety procedures and policies and wears required PPE at ALL times.
- Ability to work with a variety of hand and power tools safely.
- Safety conscious with the ability to follow written and oral instructions with distinction in English.
- Efficiently executes all day to day work instructions received both safely and in a timely fashion.

WORK EXPERIENCE

Heavy Equipment Operator / Heavy Hauler, Fort McKay Group of Companies, Alberta, Canada (Current)

- Performing pre- and post-shift safety inspections, conducting daily maintenance like refuelling and lubrication, communicating with dispatch and other operators, and ensuring safe and efficient operation of the equipment
- Driving haul trucks in Mining Operations with capacities often ranging from 180 to over 400 tons.
- Safely transporting Tar Sand to processing plants and waste rock to dumps.

Customer Experience Associate, TD Canada Trust, Fort McMurray, AB, CA

Jan 2024- Oct 10th 2025

- Processed financial transactions and mainly sold Credit Instruments offered by TD Bank as per standardized operating procedures (EG: The Sale of Credit Cards, Credit Limit Increases, Unsecured Lines of Credit, Overdraft Protection and Unsecured Loans to both Personal and Business account holders.), with an Individual Performance/Growth rating in **October 2024** of **374%** compared to that of my peers, who ranked from 119% on the low end, to 187% on the high end in the same period.
- Tripled my yearly sales goals by **October 2024** while maintaining professionalism, and promoting competent customer care, with an excellent approval rating (Ranked **34th** of 559 TD peers in the same role across Alberta in less than one year).

General Manager, Havilah's Food Co. LTD, Trinidad and Tobago

Jan 2019- Oct 2022

- Hired, and trained new employees, and made weekly schedules.
- Managed suppliers and acquisition of raw materials for the continued function of the restaurant.

Data Analyst, Havilah's Food Co. LTD, Trinidad and Tobago

Jan 2015- Dec 2018

- Assisted management with both adjusting product focus, and maximizing sales through customer buying patterns.
- Worked with PostgreSQL, MySQL and an htm15-based CMS to perform various data management duties.

Application Specialist, Telecommunications Services of Trinidad & Tobago, Trinidad

Jan 2012- Dec 2014

- I designed the Automated Data Verification Process; a system created to provide a succinct method for verifying customer data-accuracy using raw data from a plethora of legacy systems to ensure that all customers paid their bills accurately.
- I worked closely with various teams; (Inventory Management, Business Support Systems, Quality Assurance and Model Org. to successfully achieve TSTT Objectives namely customer tracking and billing.

EDUCATION

Bachelor of Science in Computing (Software Systems Emphasis) || Andrews University Michigan, USA.
